Asunto: A big Thank You

I am looking forward tomorrow to find a solution to the original problems of my apartment.

Your department at ACODECO handled my case at a very professional way.

I consider myself lucky to meet some of the fine people there:

Michelle Abrego, Sr. Ramon Fernandez, Edwin Da Silva, Profe Eliades Trujillo, Luis Arosemana, Wilfredo Vargas if I remember all the names correctly without missing someone.

You all demonstrated high level of professionalism and patience with me as a foreigner and unfamiliar with the process.

The teamwork and camaraderie of your department is exemplary. I only wish the people on the outside would realize also the magnitude and importance of your work.

Nobody can guarantee the outcome in my favor tomorrow. But I know, you will try to do your best.

Therefore a day before the court I want to assure you of my perfect satisfaction of the job you did for me.

I wholeheartedly want to express my satisfaction and appreciation for the job done.

Please forward my big Thank You to all your colleagues in the department.

Best regards,

Laszlo
